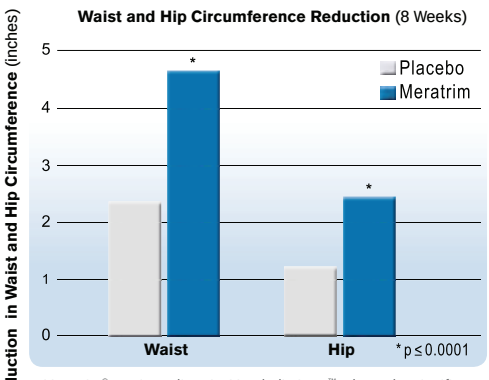
METABOLIC LEAN™

A NOVEL WEIGHT MANAGEMENT FORMULA



Meratrim®, an ingredient in Metabolic Lean™, showed a significant reduced waist circumference by 4.66 inches and hip circumference by 2.57 inches after 8 weeks compared to placebo.† Study participants adhered to a 2000 calorie diet and moderate exercise program.

Includes three clinically studied ingredients:

- Meratrim®, a proprietary blend of plant extracts, shown to reduce hip and waist circumference through reduced adipogenesis and increased lipolysis.†
- Capsimax™ capsicum extract, shown to help support thermogenesis.†
- Zychrome™ chromium complex support of healthy insulin function.†

MERATRIM is exclusively distributed by InterHealth N.I.

Capsimax™ is a trademark of OmniActive Health Technologies.
