

MetalPul™

**SUPPORTS THE BODY'S NATURAL
DETOXIFICATION PROCESS.***

MetalPul™ provides the physician with a pure humic acid based dietary supplement that supports the body's natural detoxification process without stressing the kidneys or liver.*

Humic acid promotes the body's healthy elimination process via the bowel.* This gentle approach is especially beneficial for more sensitive patients.

MetalPul™ - a powerful blend of pure humic acid sourced from the peatlands of Europe, complexed with organic cilantro and broken cell wall chlorella.

Core Minerals™

We have developed Core Minerals™, a balanced multi-mineral complex, as a product to be combined with MetalPul™ (to promote healthy mineral levels) or to be used on its own. Core Minerals™ is an iron-free, vegetarian formulation that provides twelve minerals in easily assimilated forms to promote optimal absorption.

Joseph Burrascano Jr., MD

"This combination provides a powerful but gentle approach to support healthy detoxification."*
