the *only* multi-source probiotic

- Delayed-release capsule optimizes efficacy*
- Desiccant-lined bottle increases shelf stability
- No refrigeration required

Researched Nutritionals
solutions for life

**Truly the Best CBD:
Now Two Proven Formulas!**

TruGen3™ today's best in class CBD product, produced under the highest ethical and quality standards, was validated as the truly superior CBD product in a newly published Clinical Trial Study: "A Novel Self-Emulsifying Drug Delivery System (SEDDS) Based on H2O2O™ Nanotechnology Technology Improving the Oral Bioavailability of Cannabidiol in Healthy Subjects"

TruGen3™ + Curcumin: a patented, synergistic formulation with unmatched therapeutic benefits of Curcumin, Cannabidiol (CBD), Beta-Caryophyllene, & Vitamin D3 powered by the H2O2O™ delivery system for maximum absorption and bioavailability not realized by the most "best" CBD oil. The active ingredients in Curcumin can act as an effective antioxidant against oxidative free radical damage, along with support for joints, brain, and overall good health!

TruGen3™ contains the finest quality hemp of these generations and more than a half century of botanical expertise, with products produced under the highest ethical standards, available exclusively through Health Professionals. Contact us to find out how you can put our highly innovative products to work for your patients, and your practice, today!

**August 26-29
IMMH
2021**

Join us for the 12th Annual Integrative Medicine for Mental Health Conference in Atlanta and Live Online. Save your seat today at [IMMH2021.com](#).

Use promo code **"TOWNSEND"** to save \$50!
Hurry! Prices go up to \$100 when early bird ends after June 30.

This four-day international conference will give practitioners a holistic approach to successfully diagnose and treat underlying issues contributing to the manifestations of neurological, behavioral, and psychiatric disorders. If mental health is a focus for your practice, this conference is ideal for you.

- CME and CE Credits Available
- Join the IMMH Clinician Registry!
- Recordings of all presentations (\$150 value)
- Conference topics include: Environmental Toxins and Detoxification, Natural Remedies, Psychiatric Function, Geriatric Medicine, Consequences of Prescription Drugs

Speakers: Dale Braddock, MD; Anna Prokopi, MD; Albert Moskash, MD; James Greenblatt, MD; Joseph Pizzone, MD

Environmental Toxin Summit
CME Available! Register now at [GFLworkshops.com](#) with promo code **"TOWN10"** for 10% off!

Live Online April 30 - May 2, 2021
Learn how tests can be applied with advice straight from the experts. The Summit focuses on the epidemics of environmental toxins and pathogen exposure after a foundation of the DAT is presented. Speakers will review patient cases and present testing and treatment protocols for toxin and mold-induced illnesses.

Qualified practitioners receive a FREE Organic Acids Test. Recordings of the workshop will be available for 60 days.
